

A watercolor painting of a landscape. In the top left, a bright yellow sun is partially obscured by a light blue and white sky. Below the sun, there are several green trees of varying heights and colors, from light to dark green. In the center, a brown, textured structure, possibly a wall or a building, has a large, irregular opening. To the right of this structure, a tree with a brown trunk and green foliage stands. In the background, a small orange building is visible. The ground is a mix of light and dark green washes. The overall style is soft and painterly.
